

ROBERT M. BROWN, JR'S
★ *The* ★
LONGBRIDGE DECISION

REVIEWS

“*The Longbridge Decision* is a well written, absolutely entertaining book, and Robert Brown is a writer every bit as skilled as David Baldacci or James Lee Burke. This is a dandy fine first novel, no doubt about it.”

Martin Clark, author of *The Many Aspects of Mobile Home Living*, *Plain Heathen Mischief* and *The Legal Limit*

“He may have established his professional bona fides in courts of law, but Robert “Buster” Brown, Jr., a true Virginia Gentleman, makes his bones as a storyteller with *The Longbridge Decision*. This breakthrough novel will delight anyone who’s looking for a fast-paced, action-packed legal thriller. He shows a little leg often enough to keep you guessing and then surprises you with each new turn of events. If you can envision a sordid conspiracy on a grand scale, with a brutal chase that will almost take your breath away, then I heartily recommend *The Longbridge Decision*.”

U.S. Senator Charles S. Robb

“This is a must-read for mystery/legal/romance fans and anything politically correct or probably incorrect stories. It is a revolting tale of an attempt to control the Supreme Court of the United States in order to change the face of politics in America. I have to admit that I hung on every page but really enjoyed the chase more than the corruption. Reading about these two people who were on the run and what they had to do to survive kept me on the edge of my chair. Even the idea that something like this is possible in the government could send a shiver or two up your spine. Good luck to Mr. Brown, and I'm looking forward to the next book.”

Mary Lignor, Bookpleasures.com

“Brown catapults readers into the middle of a thrilling law firm murder mystery. Surprising plot twists keep you off balance and makes this book one that entices readers to turn page after page. *The Longbridge Decision* is Brown’s first novel and should be the next read for fans of legal thrillers!”

Michael S. Mulkey, Esq.

“Crying at the end of a thriller and wishing there were more, with 530+ pages already read, is unusual for me and probably for any novel. But *The Longbridge Decision* by Robert M. Brown, Jr., is not just any novel. It is by far one of the best I've read in a long time! A very special book indeed . . . I love thrillers, and rarely read a romance book, but I was captivated by the poignant love story that occurred between the two main characters. Indeed, I can only describe it as ‘fun’ to watch the two most of the time and then other times, the relationship just about grabbed you by the throat and you wanted to shake one of these characters! I'm not sure whether this book has a sequel in the future, but I do know that I thoroughly enjoyed Tyler Waddill and Mayson Angelina Corelli and would have loved to read more about their relationship, even when the book closed . . . And I haven't even told you about the reallllly good part yet! Seriously, readers please don't miss this one. In many ways, it is very scary, because in today's world, this could be happening right now. Remember, sometimes those you trust the most may actually be your enemies . . . even if you are President of the United States. *The Longbridge Decision* by Robert M. Brown, Jr. . . In a 1-5 ranking, this was a 10 for me!”
