**A FRESH NEW VOICE IN LEGAL THRILLERS
CREATES A FRIGHTENINGLY PLAUSIBLE PLOT
— AND A GREAT READ**

(GLEN ROCK, New Jersey, March 1, 2010) — Set against a fermenting background of political and moral corruption that begins beneath the lone star of the Texas capitol building and stretches all the way to the office of the President, ***The Longbridge Decision*** — a frighteningly plausible, lightning-paced thriller — reveals an alarming and chilling vision of a theocratic America that is just one decision short of becoming a reality.

Robert M. (“Buster”) Brown, Jr.’s debut novel explores what would happen if a highly charismatic TV evangelist — at the height of his power and influence — were to succeed in bringing under his spell a struggling politician who gets elected Governor and then President. It’s a thrilling ride for anybody with a foot in the legal or political arenas and for readers of legal thrillers, literary romances and general mysteries.

Martin Clark, acclaimed author of *The Many Aspects of Mobile Home Living*, *Plain Heathen Mischief* and *The Legal Limit* writes:

“The Longbridge Decision is a well written, absolutely entertaining book, and Robert Brown is a writer every bit as skilled as David Baldacci or James Lee Burke. This is a dandy fine first novel, no doubt about it.

A practicing attorney for more than 30 years, Brown is well-known for sneaking into the office on weekends to write his fiction. His novels (he has several more under consideration) feature young, bright and attractive attorneys caught in the kind of sinister webs of unique, life-threatening dilemmas that test both their intellect and their moral character. A native of Roanoke, Virginia, he currently lives in Newport News, with his wife Anne Waddill Brown and their son, Mason.

Former U.S. Senator Charles S. Robb, writes:

*“He may have established his professional bona fides in courts of law, but Robert “Buster” Brown, Jr., a true Virginia Gentleman, makes his bones as a storyteller with **The Longbridge Decision**. This breakthrough novel will delight anyone who’s looking for a fast-paced, action-packed legal thriller. He shows a little leg often enough to keep you guessing and then surprises you with each new turn of events. If you can envision a sordid conspiracy on a grand scale, with a brutal chase that will almost take your breath away, then I heartily recommend **The Longbridge Decision**.”*
