The sudden, inexplicable death of a senior partner at Wall Street's oldest and most prestigious law firm sparks an improbable chain reaction that rapidly includes the framing of a murder suspect, a relentless national manhunt, a shocking attempt to gain control of the U.S. Supreme Court and the uncovering of a covert labyrinth of deadly political decisions along the way.

- "... a fast-paced, action-packed legal thriller." --U.S. Senator Charles S. Robb
- MURDER. CONSPIRACY. CORRUPTION. ROMANCE. Four words that threaten the very fate of the U.S. Supreme Court . . .
- A great Father's Day gift — if you can get it away from Mom!
- Aggressive advance reading campaign to begin 4Q 2009 to generate reviews and buzz. Ongoing efforts to book clubs, blogs, traditional and non-traditional media.
- Author events: readings and signings in bookstores, libraries, book clubs and at community and legal organization events.

Set against a fermenting backdrop of political and moral corruption that starts beneath the lone star of the Texas capitol building and stretches all the way to the office of the President of the United States itself, Robert M. Brown Jr.'s frighteningly plausible, lightning-paced thriller reveals an alarming and chilling vision of a theocratic United States of America that is just one decision short of becoming reality. One disturbing question remains, however — whose decision will it be?
